# Coat of Arms

This has been adopted by the Student Council and Dragonian Staff to be our school's Coat of Arms.

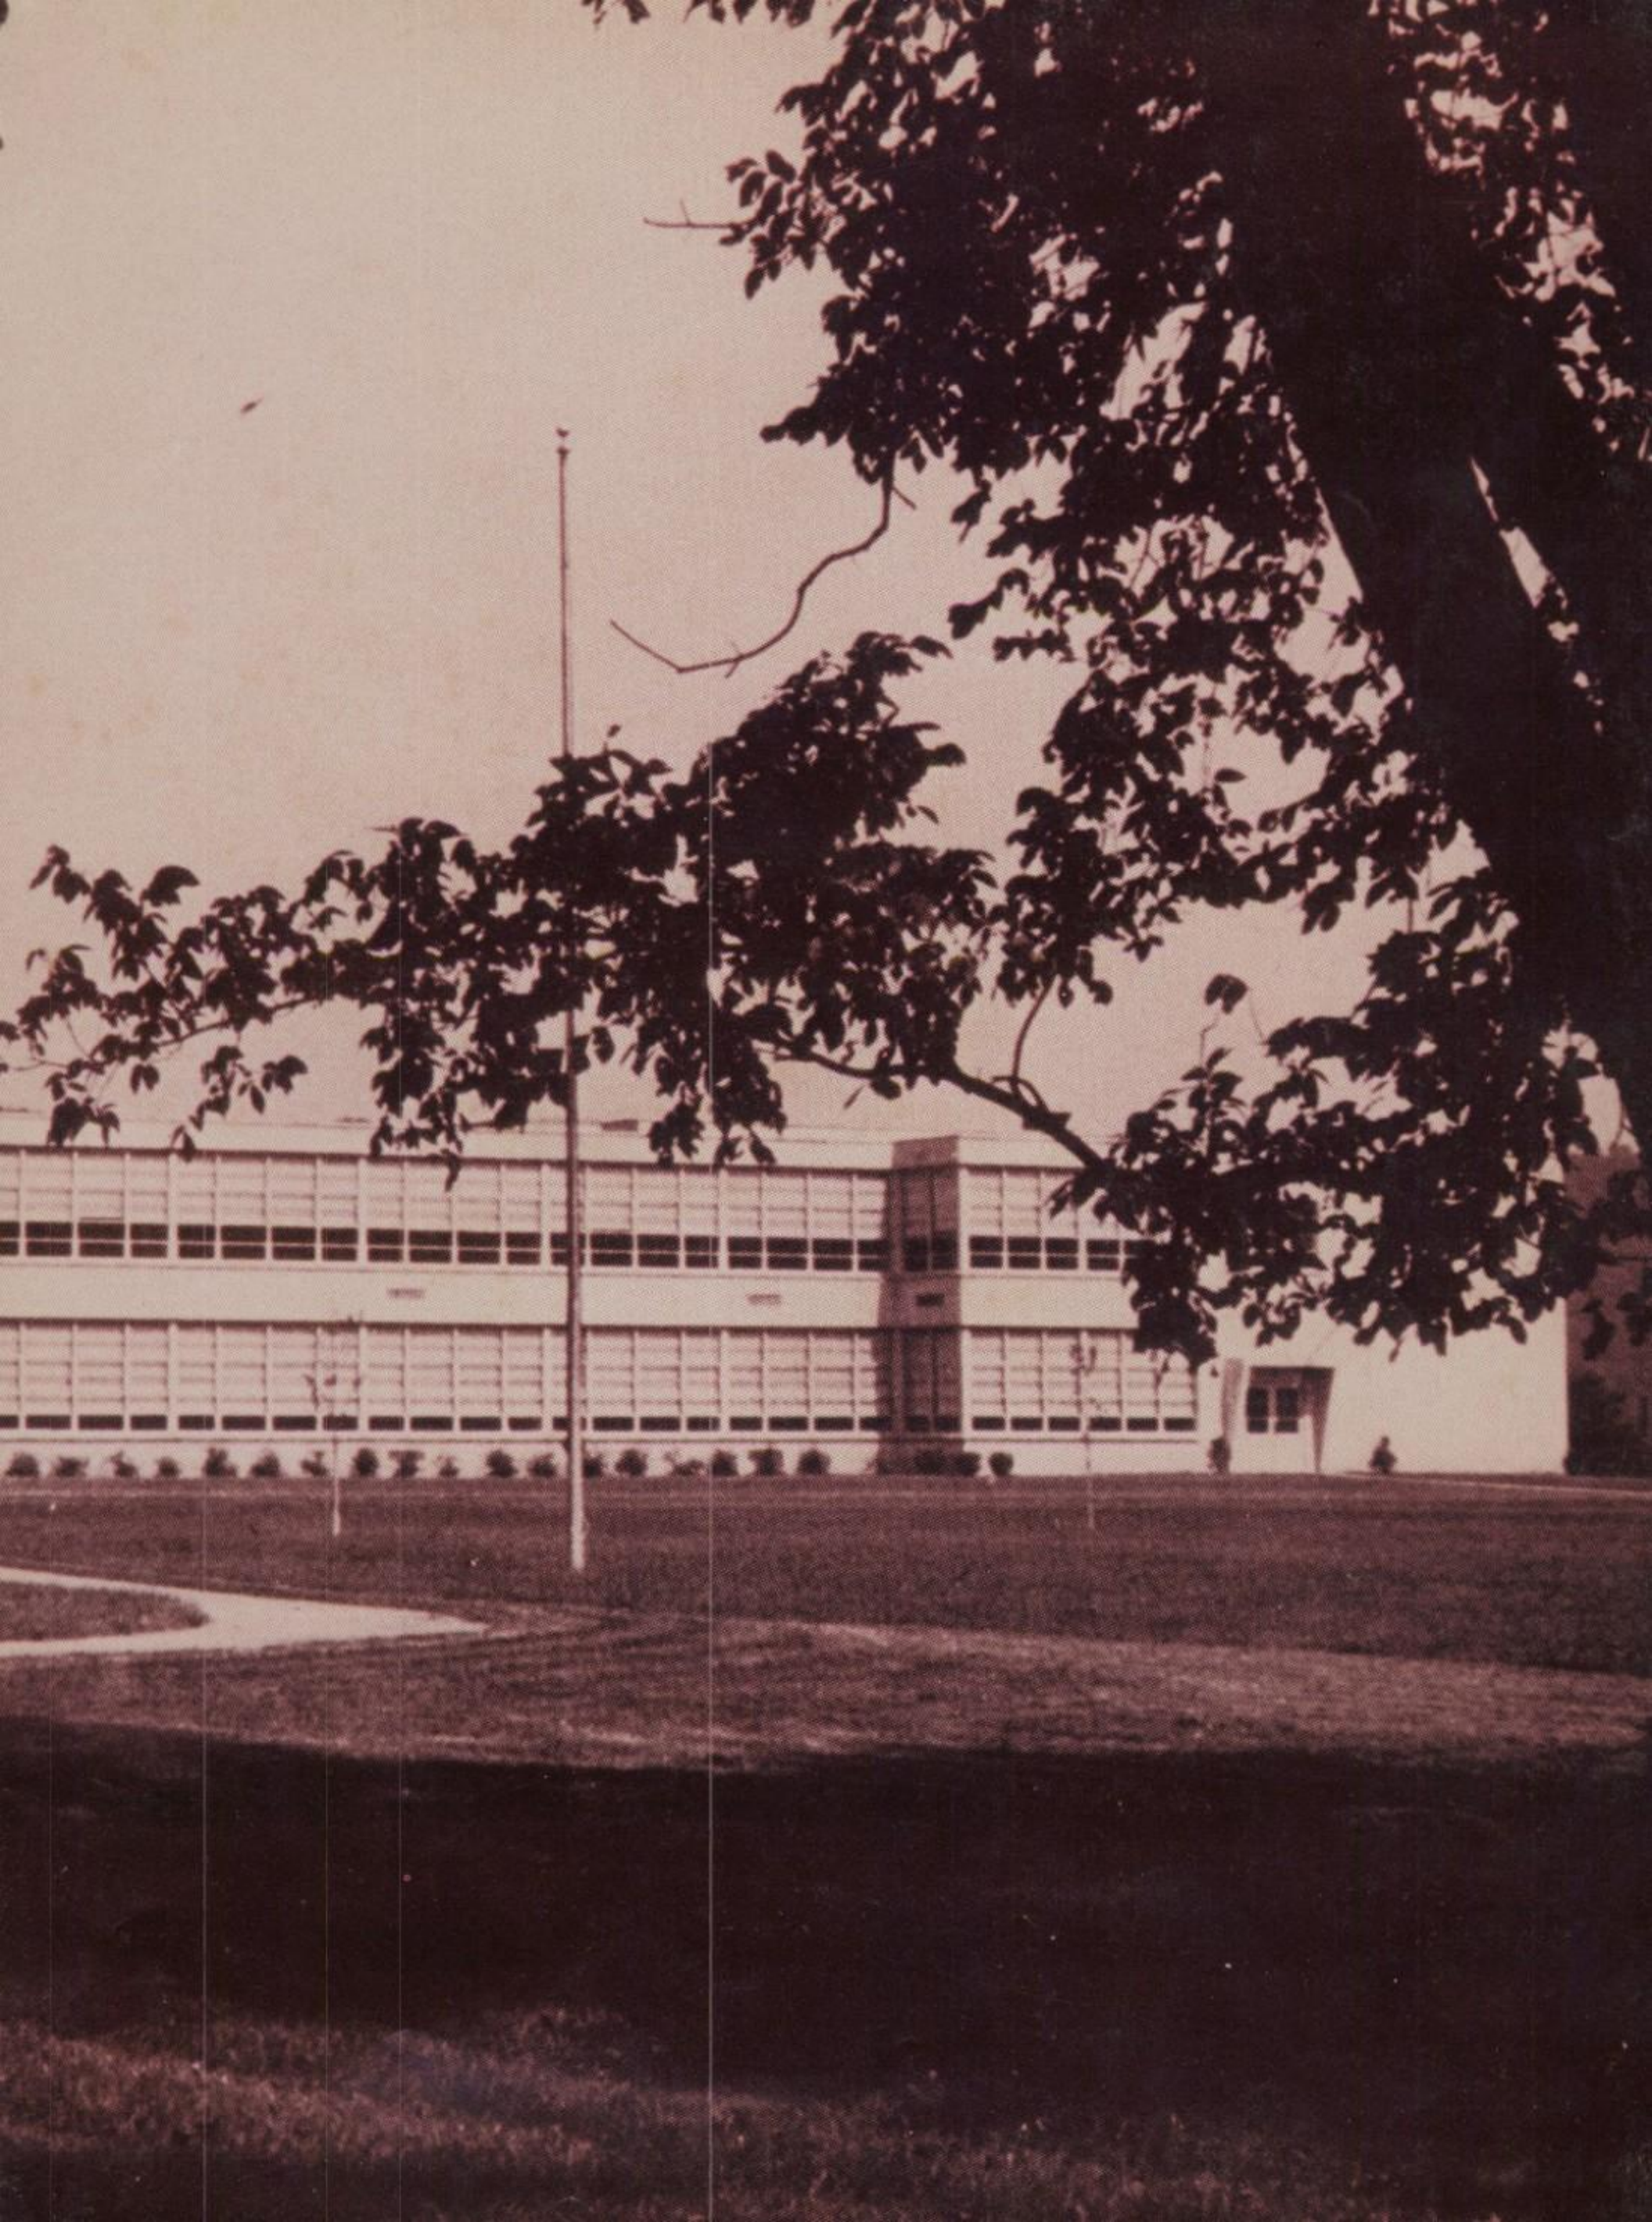

The name Dragons, of which we are proud, is at the top of the crest. The four phases of our school are represented in the middle of the crest by the clasped hands of friendship, which we have in our various clubs; the open book symbolizes the goal of schools, education or scholarship; the winged foot of Mercury represents the athletic program of our school; and the harp symbolizes the importance of music in our school life and activities. The year of adoption is placed on the right and left of the crest. The leaves around the crest are a symbol of our honored class ring. And to let others know that this is a symbol of our school, Saint Albans is written on the lower section.

This Coat of Arms was created and designed by one of our Dragonian Staff members, Gene Thompson.

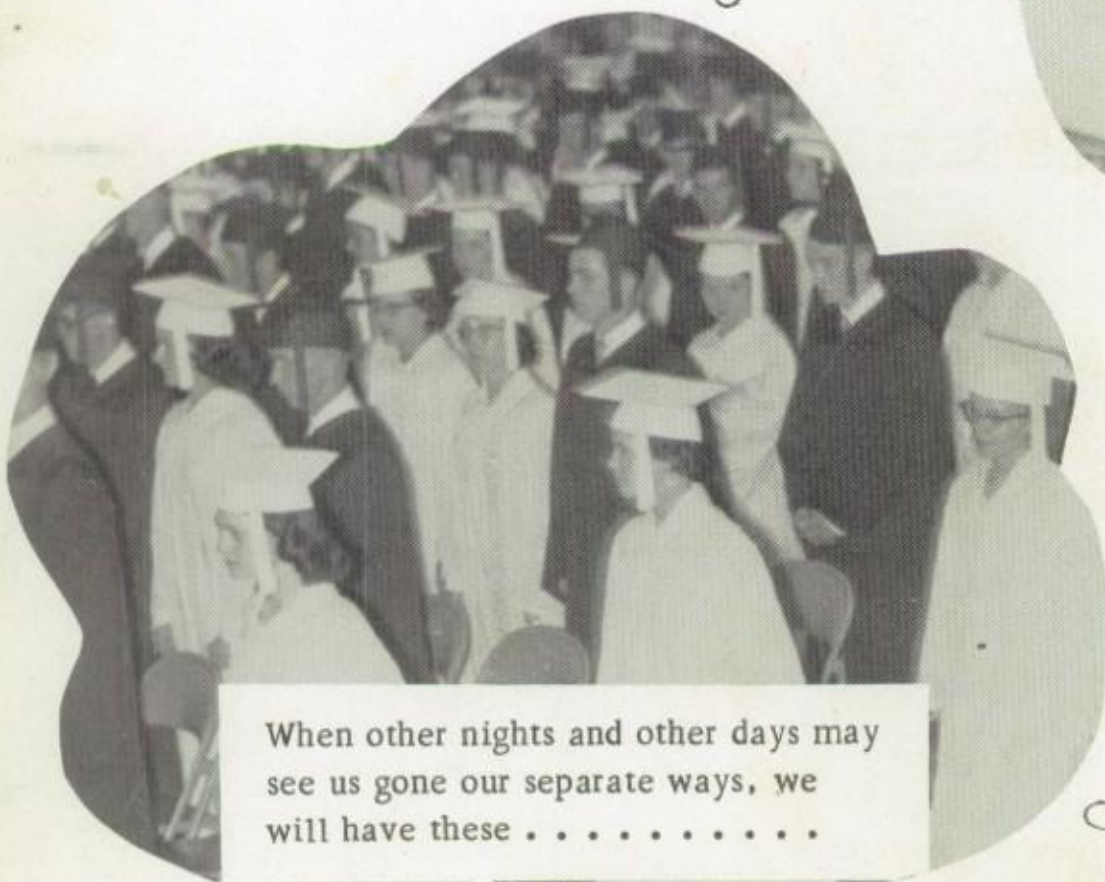

# MEMORIES

The new year's eve we did the town, the day we tore the goal post down.

The laughter we were glad to share will echo through the years.

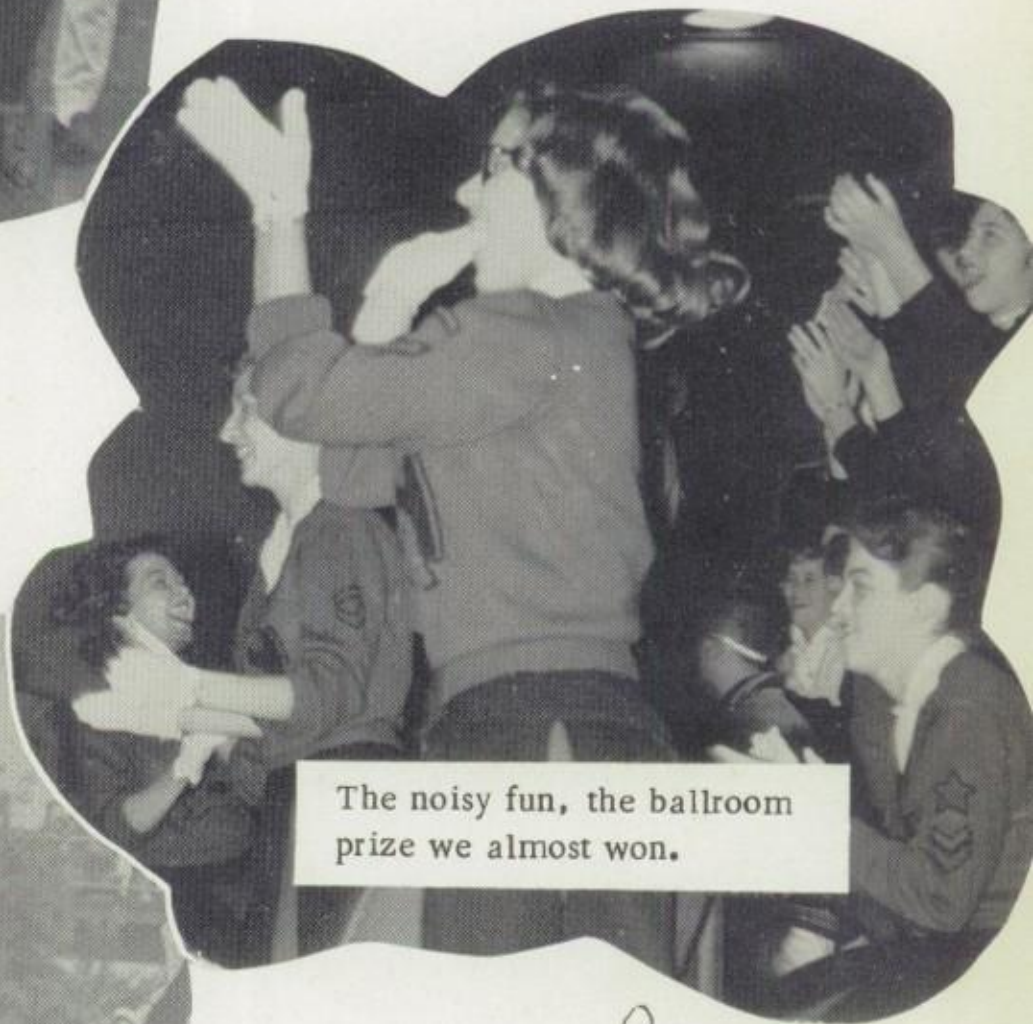

When other nights and other days may see us gone our separate ways, we will have these . . . . .

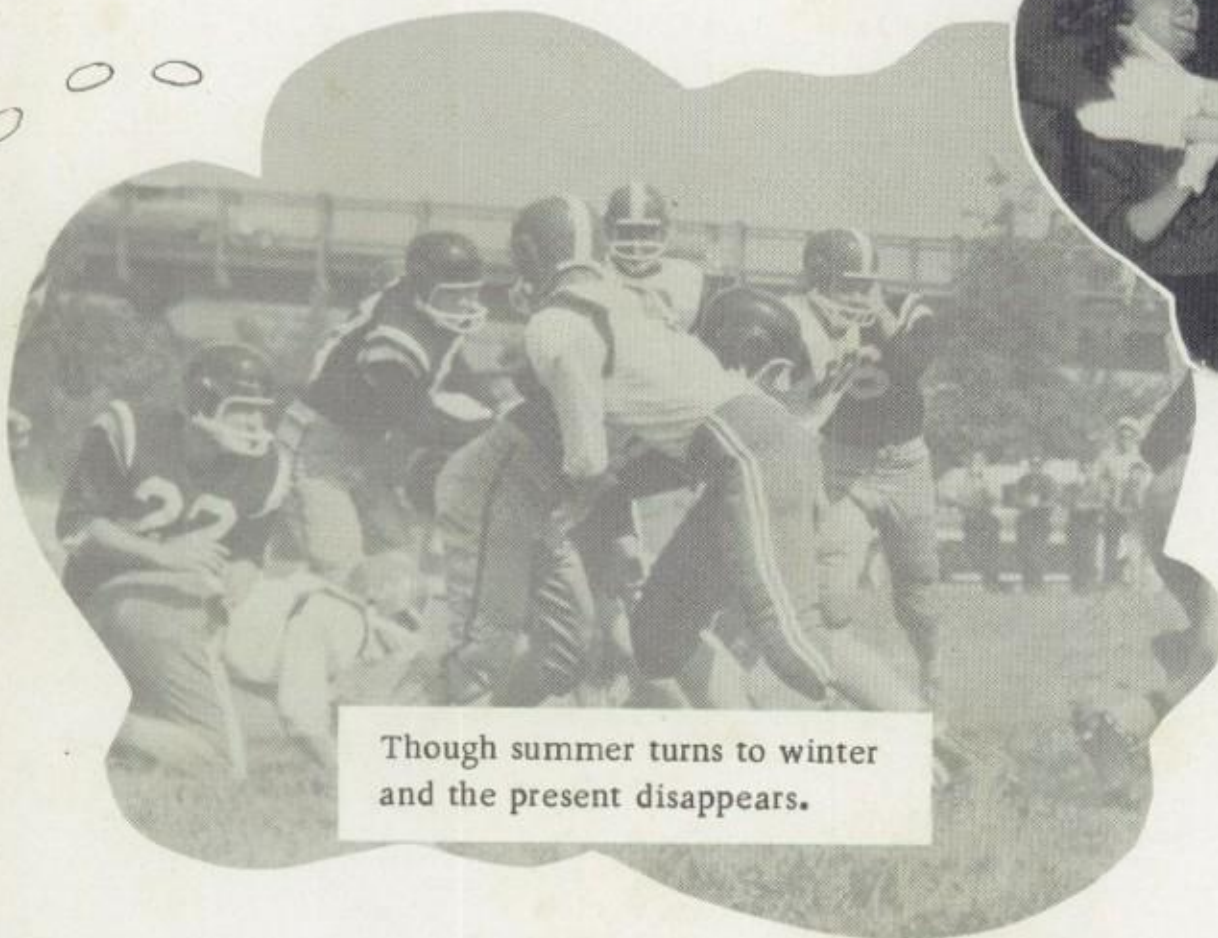

The quiet walks.

The noisy fun, the ballroom prize we almost won.

Though summer turns to winter and the present disappears.

With the halls now empty;  
fond memories of clubs, parties,  
dances, plays, assemblies, and  
changing of classes all make  
room for a new school year.  
Lockers only temporarily closed,  
and hallways straight and true  
cause us to sorrowfully miss the  
good times we had in our school,

## National Honor Society

The purpose of the National Honor Society is to emphasize and encourage the scholastic interests of students.

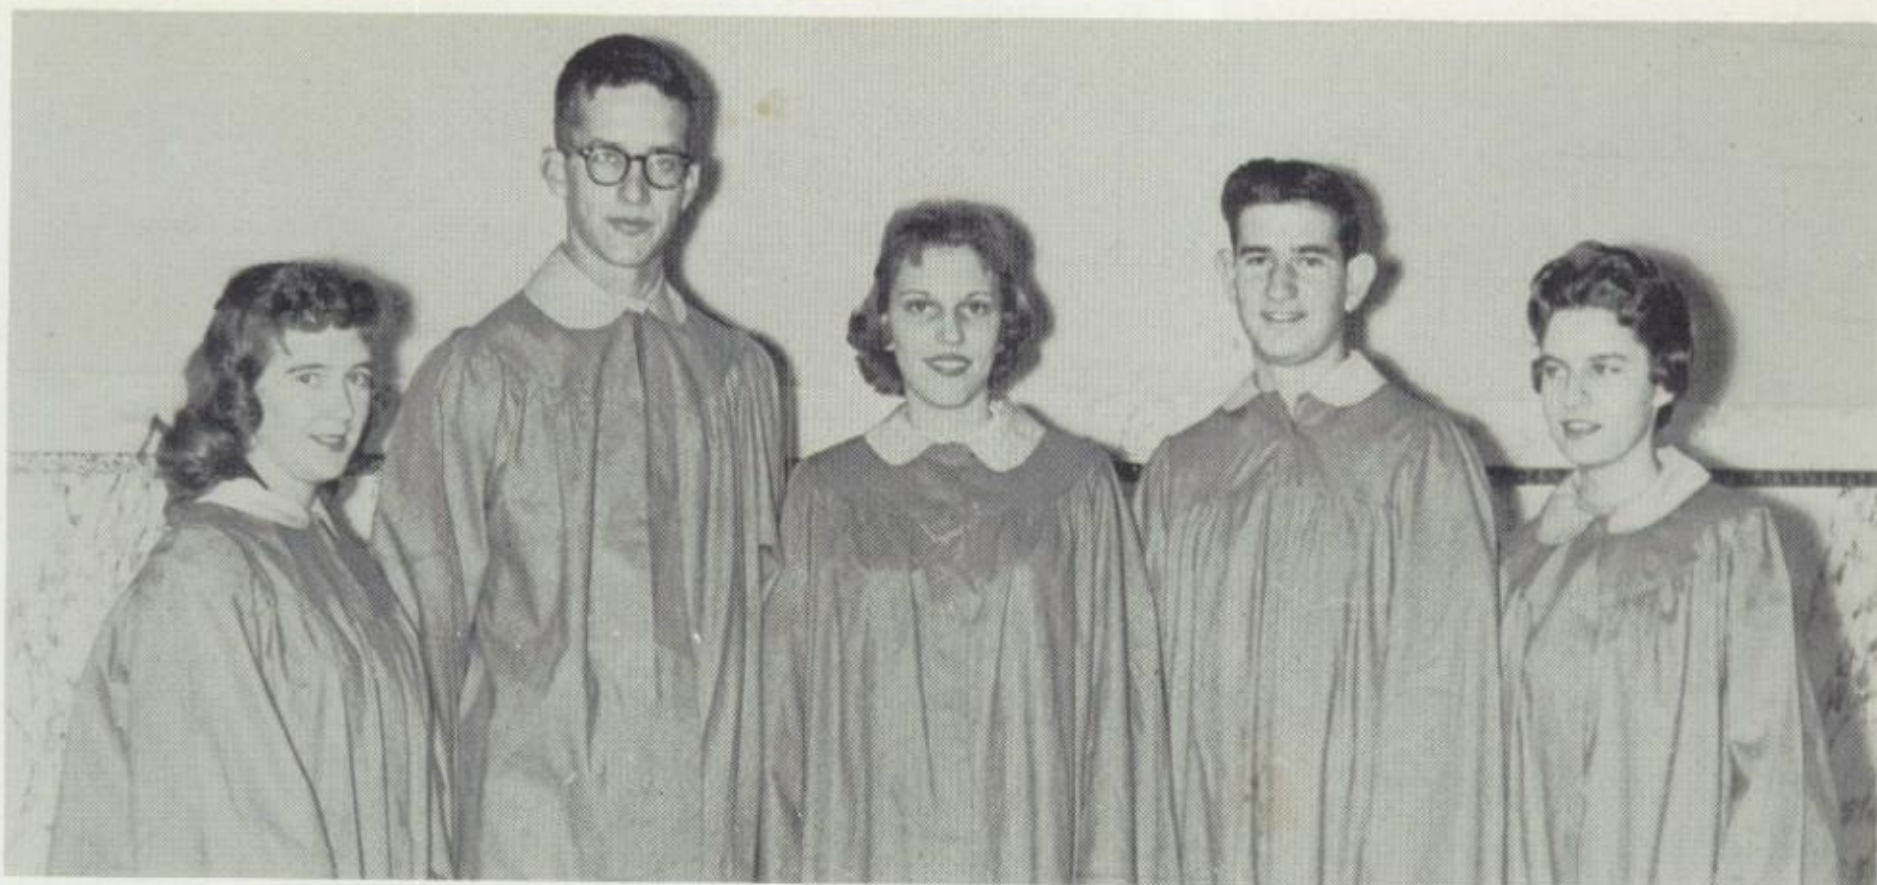

The official emblem of the Honor Society is the Keystone and the flaming torch. The Keystone has for ages been a symbol of strength and perfection. At the base of the Keystone the letters, CSLS, which stand for Character, Scholarship, Leadership, and Service, are inscribed. The flaming torch symbolizes the light of knowledge which must be carried into the darkness of ignorance in order to enlighten the shadowy places of the world.

The main activity and the main source of income of the Keystone Chapter of the National Honor Society is the keeping of the supply room, where the students may purchase their school supplies. It sponsors a library of college catalogs which is open to all students. This is a great help to them when they are choosing a college to attend. Also, since 1947, our chapter has held an annual banquet for both active and graduate members.

The Keystone Chapter has five officers, all of whom are elected by the members. Being a member of the National Honor Society is one of the greatest honors a student may receive in high school.

Each year's Dragonian doesn't just happen and our's is no exception. With the selection of the staff early in 1958 our history began. Since that date the memories of the work we have done on this book will long stay with us. The entire book has been planned and organized by the staff; but without the aid of Mrs. Tourney, our sponsor, and Mr. Martin, our photographer, we never could have made it.

As for the staff, never before has such a group united so well to accomplish the mission of organizing the yearbook. "Another deadline" Gunter was always too ready with another job for us, and she usually managed to catch us when we had the least time. "Flash Bulb, Senior" Madden would be running around like crazy trying to get seniors to have their pictures made, and "Flash Bulb, Junior" Kirby was doing the same trying to get the right names with the right homerooms, spelled right. Then "More copy and candid" Swango will probably never recover from "Clubsectionitis" while "Sign on the dotted line"

Jones wrote more letters from September to February than the whole Business Department put together. Let us not forget "Another drawing?" Farley going blind trying to draw those little club emblems, or "Now, what was that score?" Thompson and "Who plays varsity what?" Griffin as they ran around in little circles trying to get their sports pages together. And what about "Index due when?" Hutchison and "Page 46 or 64" Ellis working like mad to find whose face was in what picture on what page for the underclassmen. And we'll never forget "One more subscription" Vaughan trying to squeeze just 25 more subscriptions out of the tight-fisted students.

But now, it's all over. This Dragonian is living proof that we have successfully accomplished our mission, and every one of us is proud to say that we have contributed to the 1958-1959 DRAGONIAN!!

#### STONEWALL

SA winning and tying one, gave the Generals a good fight. Hindered by rain and fumbles, SA scored late in the second quarter when Hiser recovered a fumble and Merritt scored. Minnich scored later and Williams kicked the extra point.

STONEWALL	12	7	6	6	-	31
ST. ALBANS	7	6	0	0	-	13

#### DUNBAR

Growling Dunbar Bulldogs showed no respect to SA homecoming celebration. In the first half it was nip and tuck, finally with Dunbar scoring. In the second half, SA came back with an outburst with Williams, and later Merritt scored.

The Red Dragons met their alumni in a non-conference game and downed them 74-60. The first conference game of the season was with Clendenin on the Cardinal's home floor and the Dragons swept to an easy victory 62-29. In the second meeting the Dragons dropped them again 78-46. Cedar Grove was next to fall to the Dragon's power, 84-49. Charleston Catholic played host to St. Albans on December 27 and again we walked away to victory 66-49. Later in the season Catholic met defeat again, 77-50. Nitro was downed 66-55 in the first contest and 88-64 at a later date. The Dragons had little trouble in downing Barboursville 78-53 and 70-51. The surprising Bulldogs from Dunbar handed our club it's first defeat of the year 61-55, but we sought revenge at our next encounter and downed them 70-62. The Mountain Lions were defeated twice 80-65, and 85-78. The big game of the season was with the South Charleston Black Eagles on our home floor. The Eagles jumped to a 27-18 halftime lead, but the Dragons suryed back to a thrilling 62-56 win and a tie for the first place in the Kanawha Valley Conference. When the yearbook went to press, South Charleston and St. Albans were tied with a 12-2 record. The Red Dragons face a rather easy schedule for the remainder of the season while the Black Eagles face at least three strong opponents, so we could possibly come out on TOP in the K. V. C. race!!

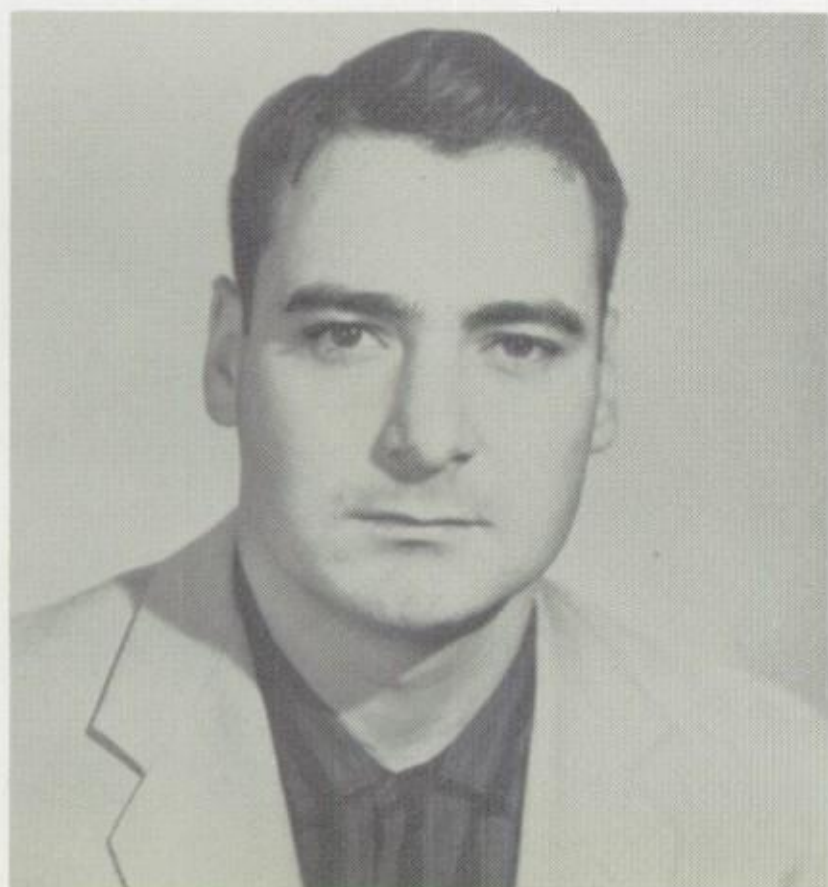

FRONT ROW: Clarence Knapper, Don Ranson, Don La Hoda, Joe Meadows, Bill Combs, Dave Ellison, Manager Johnny Hilton. SECOND ROW: Bill Ellis, Bob Conley, Tee Patterson, Phil White, John Stevens, Mack Combs, and Coach Carl Marion.

## COMMENCEMENT

Perhaps you have been thinking of this occasion for some time. Graduation is only the beginning of a brighter future. We hope that it is a "commencement" of greater things to come.

If we are to continue to enjoy America's high standard of living, we must continue

to have better trained men and women. We need more scientists; more trained engineers and better qualified people in all walks of life. It's your future -- use it wisely.
